

CELEBRATING
10 years
A **DECADE OF DEVOTION**
with Rabbi Kalisch

MAY 10, 2024

Mark your planners for a special Shabbat on Friday, May 10 to honor and celebrate Rabbi Beth Kalisch, who is marking her 10th anniversary with Beth David.

We'll be welcoming as our guest speaker, **Rabbi Rick Jacobs**, President of the Union of Reform Judaism and Rabbi Kalisch's childhood rabbi. Rabbi Jacobs is internationally known, and his presence at Beth David is a tribute to Rabbi Kalisch.

We'll be presenting Rabbi Kalisch with a digital Tribute Book to commemorate her Decade of Devotion to Beth David. This is our spring fundraiser and we hope everyone will participate by attending on May 10, and by purchasing a message in the Tribute Book that expresses your appreciation of our rabbi.

RAC-PA CAMPAIGN TO END GUN VIOLENCE

RAC-PA is partnering with CeaseFirePA to get the PA General Assembly to pass life-saving gun violence prevention legislation by the end of 2024. As we prepare for **End Gun Violence Advocacy Day** at the State Capitol in Harrisburg **May 7**, Beth David and Temple Beth Achim, are teaming up to host a screening of **Deadly By Design**, a series of videos featuring Pennsylvanians impacted by gun violence. As we watch and discuss their heart-wrenching stories, we'll grapple with the ways in which easy access to guns drives gun violence in our society. A basic, life-saving gun safety system would close the gaps that allow firearms into fatal hands. That's what this campaign is all about. So, join us on **April 16** to hear from Pennsylvanians about the losses they've suffered under current laws and policies, and then take action with us to bring about the changes needed to save lives.

Sign up for the program at rac.org/dbd. Light refreshments will be served.

Deadly by Design is a project of **CeaseFirePA Education Fund**.
